

Terms and Conditions – private weekly lessons

Each week of enrolment has one scheduled lesson.

In the event of sickness, car trouble, etcetera, each lesson can be rescheduled once and once only.

Lessons cannot be moved more than two weeks away from the original time.

Lessons cannot be rescheduled outside of the 6 or 12 week enrolment period.

If the student cannot make the rescheduled time, the lesson is considered consumed and cannot be moved again.

If the student chooses not to reschedule, or is unable to find an agreeable time, the lesson is consumed.

Lessons cannot be rescheduled for the same time next week.

Enrolments already include a lesson at the same time next week.

Under no circumstances can 6 or 12 week enrolments be extended, or broken up.

Students who have planned absences can choose to delete lessons from specific weeks, reducing the cost of their enrolment. 40 minute lessons will receive a \$30 credit, 20 minute lessons will receive a \$15 credit.

Deleting lessons requires a minimum one weeks notice.

Lessons and enrolments cannot be refunded.
